THE ACADEMY by Loyens & Loeff

Legal & Tax training centre

1. Your professional training centre in Luxembourg

THE ACADEMY is Loyens & Loeff's legal, regulatory and tax training centre. It was set up in response to the increasing needs of our clients to stay fully abreast of the ever changing legal, tax and regulatory developments.

THE ACADEMY offers:

- Open training sessions as announced in our training agenda, organised on a regular basis in our premises or remotely
- Tailor-made training sessions, organised at a time and location that are most convenient for you, whether it be at your premises or ours

Our multidisciplinary training sessions are delivered by experienced lawyers and tax advisers who are partners, counsels or senior associates at Loyens & Loeff. Each training session relies on concrete examples, using cases or scenarios drawn from our trainers' deep experience to enable participants to transition from the theory to the practice.

2. Your training challenges

- Is your company subject to training obligations imposed by laws or regulations?
- Did you get a new role or position which requires to become more familiar with some topics, laws or regulations?
- Do you need to update your employees on a new law or regulation?
- Do you need to train your new joiners on specific topics, laws or regulations?

Whatever your challenge, THE ACADEMY is uniquely positioned to answer your training needs with our trainers at the forefront of legal, tax and regulatory developments.

3. Our training sessions are different

- **Pragmatic:** Our trainers use concrete examples, cases and scenarios drawn from their experience and explore them in an interactive manner
- **Multidisciplinary:** Your daily issues are multifaceted, and so are our training sessions
- **Impactful:** Approximately one month after each session, we provide a follow-up call to clarify any points related to the training
- **Flexible:** You are our clients so we adjust to your needs. Topics, audience, duration, languages, on-site or remote: these are all parameters to discuss and agree with you for tailor-made training sessions
- **Certifying:** Training certificates are issued after each training session
- **Relaxed:** Just because we are discussing serious topics does not mean that we have to be serious at all times. Our experts are approachable and each training session in our premises includes a break with a snack or a breakfast allowing for networking
